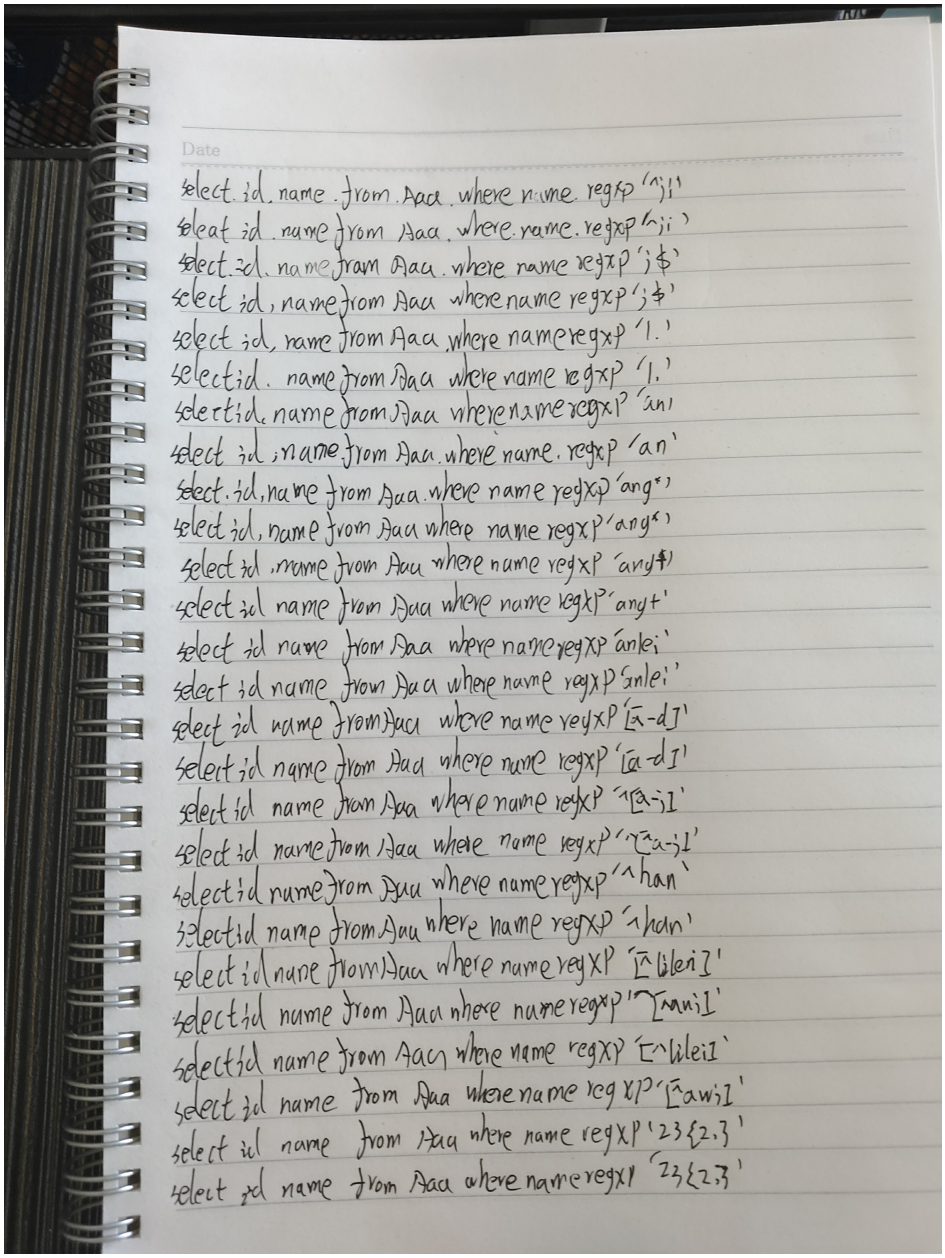
**1.【简答题】**正则表达式每个题用纸抄二遍

得分：100/100

学生答案：



select id, name from Aaa where name regxp '^ji'
select id, name from Aaa where name regxp '^ji'
select id, name from Aaa where name regxp 'ji$'
select id, name from Aaa where name regxp 'ji$'
select id, name from Aaa where name regxp '1.'
select id, name from Aaa where name regxp '1.'
select id, name from Aaa where name regxp 'an'
select id, name from Aaa where name regxp 'an'
select id, name from Aaa where name regxp 'ang*'
select id, name from Aaa where name regxp 'ang*'
select id, name from Aaa where name regxp 'ang$'
select id name from Aaa where name regxp 'ang+'
select id name from Aaa where name regxp 'anlei'
select id name from Aaa where name regxp 'anlei'
select id name from Aaa where name regxp '[a-d]'
select id name from Aaa where name regxp '[a-d]'
select id name from Aaa where name regxp '^[a-j]'
select id name from Aaa where name regxp '^[a-j]'
select id name from Aaa where name regxp '^han'
select id name from Aaa where name regxp '^han'
select id name from Aaa where name regxp '[^lilei]'
select id name from Aaa where name regxp '[^lilei]'
select id name from Aaa where name regxp '[^lilei]'
select id name from Aaa where name regxp '[^aw-j]'
select id name from Aaa where name regxp '23{2,3}'
select id name from Aaa where name regxp '23{2,3}'

参考答案：正则表达式每个题用纸抄二遍
