1. 【简答题】实现下图功能：

得分：1/100

The image shows a simple user interface element. It consists of a rectangular input field containing the number '4'. Below the input field are two buttons: one labeled '加1' (Add 1) on the left and one labeled '减1' (Subtract 1) on the right. A red arrow originates from the '加1' button and points towards the input field, indicating the intended interaction.

点击加1按钮，输入框的值实现加1
点击减1按钮，输入框的值实现减1

学生答案：1

参考答案：略
