1. 【简答题】用ElementUI Layout 布局完成登录页面：

得分：100/100

学生答案：

```

<template>
  <div class="beijing">
    <el-row>
      <el-col :span="24"><div class="grid-content bg-purple-dark"></div></el-col>
    </el-row>
    <el-row>
      <el-col :span="24"><div class="grid-content bg-purple-dark"></div></el-col>
    </el-row>
    <el-row :gutter="20">
      <el-col :span="3"><div class="grid-content"></div></el-col>
      <el-col :span="2"><div class="grid-content logo">logo</div></el-col>
      <el-col :span="3"><div class="grid-content jituan">时通集团</div></el-col>
    </el-row>
    <el-row :gutter="100">
      <el-col :span="10"><div class="grid-content bg-purple"></div></el-col>
    </el-row>
    <el-row :gutter="100">
      <el-col :span="6"><div class="grid-content bg-purple"></div></el-col>
      <el-col :span="6"><div class="grid-content text">数字化管理系统</div></el-col>
      <el-col :span="12"><div class="grid-content login">
        <font>用户登录</font>
        <input type="text" value="输入账号"/>
        <br>
        <input type="password" value="输入密码"/>
        <br>
        <button>登录</button>
      </div></el-col>
    </el-row>
    <el-row>
      <el-col :span="4"><div class="grid-content bg-purple"></div></el-col>
      <el-col :span="4"><div class="grid-content bg-purple-light"></div></el-col>
      <el-col :span="4"><div class="grid-content bg-purple"></div></el-col>
      <el-col :span="4"><div class="grid-content bg-purple-light"></div></el-col>
      <el-col :span="4"><div class="grid-content bg-purple"></div></el-col>
      <el-col :span="4"><div class="grid-content bg-purple-light"></div></el-col>
    </el-row>
  </div>
</template>

<script>
</script>

<style>
.beijing{
  background: #000000;
}

```

```
background-color: #cccccc;
height: 500px;
}
.logo{
text-align:center;
background: white;
color: black;
line-height: 36px;
}
.jituan{
text-align: center;
line-height: 36px;
color:whitesmoke;
font-size: 40px;
font-family: "黑体";
}
.text{
text-align: center;
line-height: 36px;
color:whitesmoke;
font-size: 30px;
font-family: "黑体";
}
.login{
height: 250px;
width: 400px;
background-color: steelblue;
```

参考答案：用ElementUI Layout 布局完成登录页面
