

学号	姓名	提交时间	总分	成绩
20225102050223	孙雨婷	2023-11-30 11:23:12	100	100

1. 【简答题】用ElementUI Layout 布局完成登录页面：

得分：100/100

```

学生答案 : <template>
  <div class="beijing">
    <el-row>
      <el-col :span="24"><div class="grid-content bg-purple-dark"></div></el-col>
    </el-row>
    <el-row>
      <el-col :span="24"><div class="grid-content bg-purple-dark"></div></el-col>
    </el-row>
    <el-row :gutter="20">
      <el-col :span="3"><div class="grid-content"></div></el-col>
      <el-col :span="2"><div class="grid-content logo">logo</div></el-col>
      <el-col :span="3"><div class="grid-content jituan">时通集团</div></el-col>
    </el-row>
    <el-row :gutter="100">
      <el-col :span="10"><div class="grid-content bg-purple"></div></el-col>

    </el-row>
    <el-row :gutter="100">
      <el-col :span="6"><div class="grid-content bg-purple"></div></el-col>
      <el-col :span="6"><div class="grid-content text">数字化管理系统</div></el-col>
      <el-col :span="12"><div class="grid-content login">
        <font>用户登录</font>
        <input type="text" value="输入账号"/>
        <br>
        <input type="password" value="输入密码"/>
        <br>
        <button>登录</button>
      </div></el-col>
    </el-row>
    <el-row>
      <el-col :span="4"><div class="grid-content bg-purple"></div></el-col>
      <el-col :span="4"><div class="grid-content bg-purple-light"></div></el-col>
      <el-col :span="4"><div class="grid-content bg-purple"></div></el-col>
      <el-col :span="4"><div class="grid-content bg-purple-light"></div></el-col>
      <el-col :span="4"><div class="grid-content bg-purple"></div></el-col>
      <el-col :span="4"><div class="grid-content bg-purple-light"></div></el-col>
    </el-row>

  </div>
</template>
<style>
